

5G Business Internet

Unlock reliable
connectivity
starting at
\$60/month.

Limited availability and confusing options for pricing, billing, and support all make traditional ISPs a hassle. 5G Business Internet from T-Mobile provides easy, affordable fixed wireless access.

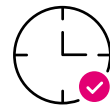

Boost bandwidth

Augment overutilized connections with 5G fixed wireless.

Maximize coverage

Rely on America's Best Network* even in hard-to-reach locations.

Avoid downtime

Get backup connectivity to maintain operations during outages.

Flex to your needs

Deploy quickly to standing, transitional, or temporary locations.

Drive growth

Scale seamlessly with unlimited data—and no annual contract or hidden fees.

Try for free

Connect risk-free for 30 days, then get affordable rates and routers at no extra charge.

Visit our [Business Internet page](#) to learn more, or contact your T-Mobile representative to get started today.

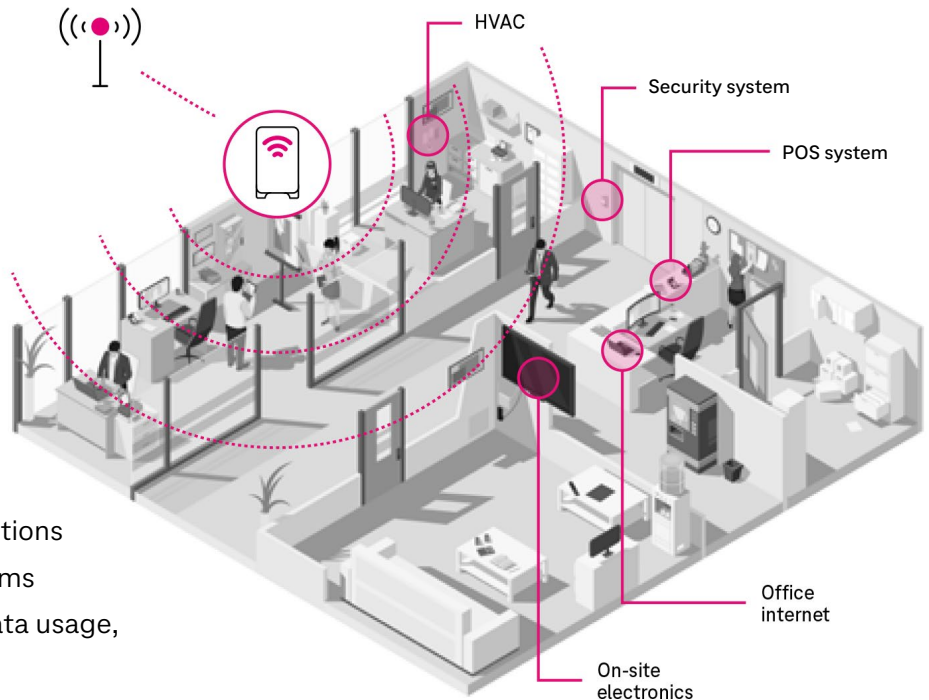

Simple, fast connectivity to help you run your business.

The router connects devices at your business to the T-Mobile 5G network.

Using 5G Business Internet as your primary connection

T-Mobile Business Internet comes with all the essentials, including unlimited 5G data and a Wi-Fi 6 gateway to connect your vital business tools.

- Opening new locations
- Launching pop-up stores, kiosks, and digital signage for seasonal promotions
- Managing transactions with POS systems
- Setting up temporary sites with low-data usage, such as trade shows
- Providing Business Internet for at-home workforces

5G Business Internet Plans

\$60 /mo.

(SIM only, BYOD supported)

\$70 /mo.

(T-Mobile-provided router included)

Both plans include:

- Monthly charge per line (plus taxes, fees)
- Fixed wireless internet connection
- Reliable internet with unlimited data
- No throughput caps or throttling
- Productivity filter available (limits non-business apps)
- Service and support from dedicated wireless experts

America's Best Network: Based on analysis by Ookla® of Speedtest Intelligence® data Q4 2024–Q1 2025. Ookla trademarks used under license and reprinted with permission. No introductory offers, just a standard low price. **Reliable:** Based on T-Mobile analysis of eligible customer speed data reflecting consistent download speeds of at least 25 Mbps. Delivered via 5G cellular network; speeds vary due to factors affecting cellular networks. See T-Mobile.com/OpenInternet for additional details. **Test Drive:** Limited time offer; subject to change. While supplies last. **Non-T-Mobile customers only;** 1 trial period per organization. Requires demo device agreement. Max 5/account. May not be combined with some offers or discounts. **During congestion, customers on this plan may notice speeds lower than other customers and further reduction if using >1.2TB/mo., due to data prioritization.** Not available in all areas; addresses ineligible for 5G may be eligible for 4G LTE. \$35 device connection charge due at sale. Plus taxes & fees for accounts currently paying for a T-Mobile wireless line with additional taxes & fees: Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$1.40 per data only line (\$0.12 for RPF & \$1.28 for TRF) apply; taxes/fees approx. 3–12% of bill. Credit approval required. For use only at location provided at activation. Return gateway undamaged or pay up to \$750. **Video** streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **Security and productivity filtering** blocks select content. See Sales Rep or T-Mobile.com/filtering for content filtering options and details. **Coverage** not available in some areas. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users. See T-Mobile.com/OpenInternet for details. **See Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
